

## Sidertrade named a Leader in Gartner® Magic Quadrant™ and included in Critical Capabilities for Invoice-to-Cash Applications for third consecutive year

May 8, 2024 | [Sidertrade](#), the global leader in AI-powered Order-to-Cash applications, today announces that for the third year in a row, it has been recognized as a Leader in the 2024 Gartner® Magic Quadrant™ for Invoice-to-Cash Applications and included in Critical Capabilities for Invoice-to-Cash Applications.

According to Gartner (source: [Magic Quadrant Research Methodology | Gartner](#)), "Leaders execute well against their current vision and are well positioned for tomorrow."

**Sidertrade Chief Product Officer, Rob Harvey said:** *"Being named as a Leader by Gartner for the past three years is a remarkable recognition for us. At Sidertrade, we take pride in our commitment to innovation, and we believe this recognition reflects our advancements in artificial intelligence and the value we create for our clients."*

*"At a time when AI tends to be seen as a commodity, the differentiating factor is the quality of the data. The reason is simple: there is no high-performance AI without data. Sidertrade's AI – nicknamed Aimie – stands out with its exclusive access to the [Sidertrade Data Lake](#), allowing her to mine a vast source of financial and business data. This unique capacity gives Aimie exceptional accuracy in analyzing payment behaviors and predicting the dynamics of cash flow generation. Aimie is continuously enriched with millions of data points, leveraging the latest in machine learning, natural language processing and, more recently, generative AI. The power of our AI, fueled by our Data Lake, demonstrates our advanced expertise in algorithms."*

From Sidertrade's perspective, being recognized as one of the vendors positioned in the Leaders Quadrant in the 2024 Gartner Magic Quadrant acknowledges its AI capabilities, product strategy and customer support.

**Sidertrade Chief Executive Officer, Olivier Novasque said:** *"Being named a Leader in the Gartner Magic Quadrant for Invoice-to-Cash Applications for three years in a row means a lot to us, and it's fantastic to be recognized for both our ability to execute and completeness of vision. It offers credibility and visibility in competitive markets but also trust among large global organizations, demonstrating Sidertrade's reliability and effectiveness. Additionally, we believe this recognition supports Sidertrade's expansion efforts, helping to establish a strong foothold and attract new business, in particular in North America."*
